

Revised 3/21

Derma Data

100% Pure Hyaluronic Serum

This replenishing serum captures the simplistic beauty of clean skincare. Concentrated hyaluronic acid instantly quenches thirsty skin upon application, boosting bounce and delivering intense hydration where it's needed most. Formulated with the purest form of water-soluble hyaluronic acid, this serum has the unique ability to provide lasting moisture by continuously drawing hydration to skin's surface and locking it in. It tailors itself to fit the hydration needs of all skin types by attracting the precise amount of moisture depending on individual needs.

Directions

Apply 3-5 drops with fingertips using a circular motion until absorbed.

Ingredients

Water (Aqua), Sodium Hyaluronate, Phenoxyethanol & Ethylhexylglycerin.

Advanced Protection SPF 30

Providing full-spectrum UVA/UBA protection with vitamins and antioxidants, this creamy lotion is fragrance free and light enough for oily skin. This formula is designed for all skin types.

Directions

Apply to areas that are exposed to the sun. Reapply frequently, especially after physical activity or swimming. Warning: For external use only. Avoid contact with eyes. Discontinue use if signs of irritation or rash appear. Stop use and consult a doctor if irritation or rash persists.

Sun Alert: Limiting sun exposure, wearing protective clothing, and using sunscreens may reduce the risk of skin aging, skin cancer, and other harmful effects of the sun.

Age Repair Stem Cell Serum

The fascinating thing about stem cells is their regeneration ability. Stem cells are the natural architects of reparation. Found in all multi-cellular organisms, they can self replicate and differentiate into diverse specialized cell types in order to propagate the growth of an existing cell type. When applied to the skin, they result in wrinkle reduction, collagen proliferation and skin rejuvenation. This serum is an invigorating formula that uses the incredible longevity inherent in the stem cells of a rare Swiss apple, to transfer preservation and longevity unto your skin. Rich in phytonutrients, proteins and long-living stem

cells, the excellent endurance properties of this apple have been scientifically cultivated to bring you one step closer to the beauty associated with youth.

Directions

Shake well before use. Apply sparingly to face, neck and décolleté. Use twice daily. Caution: Discontinue use if redness occurs. Do not ingest.

Ingredients

Chondrus Crispus (Seaweed) Extract, Purified Water (Aqua), Hyaluronic Acid, Malus Domestica Fruit Cell Culture, Xanthan Gum, Glycerin, Lecithin, Phenoxyethanol & Ethylhexylglycerin.

Alpha Beta Polishing Cleanser

This deep cleansing lotion includes the alpha and beta hydroxy acids of glycolic, lactic and salicylic. These natural acids loosen the bond of dead skin cells to accelerate the natural skin renewal process. The jojoba beads gently exfoliate the skin to prevent occlusion of pores, revealing a fresher and more youthful looking skin.

Directions

Gentle enough to use twice a day. Apply to face, neck and décolleté. Rinse thoroughly with cool water.

Ingredients

Aqua, Decyl Glucoside, Jojoba Esters, Acrylates Copolymer, Cocamidopropyl Betaine, Sodium Pca, Glycolic Acid, Salicylic Acid, Lactic Acid, Citric Acid, Citrus Grandis (Grapefruit) Peel Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Sodium Cocoyl Apple Amino Acids, Glycol Distearate, Steareth-4, Sodium Chloride, Sodium Hydroxide, Disodium Edta, Phenoxyethanol, Caprylyl Glycol.

Banana + Orange Enzyme Exfoliant

This delicious, ultra rich, enzymatic exfoliant that effectively dissolves dead skin cells without scrubbing. Banana, rich in Minerals and Anti-oxidants, helps soften the skin and maintain an optimal moisture level. Pineapple and Papaya Enzymes gently remove unwanted surface debris. Each non-abrasive treatment will leave your skin feeling not only brighter, but softer and suppler. Ideal for those with sensitive or reactive skin, or those who desire exfoliation with additional hydration.

Directions

Apply a moderate layer of exfoliant over cleansed face and neck, avoiding eye area. A brief stinging sensation may be felt upon application, and should dissipate quickly. Leave on for 10 minutes. Remove thoroughly with cool water, massaging in circular motion with light pressure to allow grains to loosen dead skin cells. Follow with toner and moisturizer appropriate for skin type.

Ingredients

Collagen Blanket

For use as an exquisite, professional treatment that provides the pampering and special attention to the skin that clients love to receive. This is a natural, collagen-rich fiber cloth mask that binds moisture to the skin and stops dehydration. Place the blanket over the face, saturate with water or toner, and mold to facial contours. Leave for 20 minutes. Plumps fine lines and wrinkles. Highly recommended for deep hydration of moisture-starved skin. Can be used as a separate salon mask or added to the facelift massage. This treatment can also incorporate face gauze and hot paraffin as a hard masque that will make the treatment even more effective.

Directions

After cleansing and exfoliating, follow these directions.

1. Pour ¼ cup of distilled water into bowl, add Toner if desired.
2. Apply Anti-Aging Serum to face and neck massage until absorbed.
3. Position Collagen Blanket over face, trim if necessary.
4. Beginning at forehead, blot blanket thoroughly with cotton gauze saturated with the distilled water/toner mixture. The Collagen Blanket will adhere to the skin and become transparent.
5. Cut a nose hole in a piece of foil and cover face (or use steam or a heat masque) Leave on for 20-25 minutes.
6. Remove foil tent and roll entire Collagen Blanket up and off the face. Apply moisturizer, Liquid Gold, and sun protection.

Complex C Moisturizer

This advanced vitamin C crème protects, hydrates and conditions skin without irritation. This formula also incorporates sea whip extract to calm redness and red marine algae to condition dull, sluggish skin.

Intense Moisture Repair Crème with Broad Spectrum SPF 30

This highly advanced formula provides outstanding hydration while protecting against sun damage with a broad spectrum SPF 30. As a moisturizer, it's important to use long lasting ingredients with a natural ability to capture and retain moisture. Beeswax is one of these useful ingredients. Thanks to its hydrophobic nature it provides excellent emollient benefits. It helps to keep the skin soft and hydrated with nutrient rich fatty acids. Carnuba wax also known as Palm wax, is another natural moisturizing wax. Derived from the leaves of the palm tree Copernicia Prunifera, this wonderful ingredient provides additional emollient properties and a glamorous shine. To help beat the sun, this incredible moisturizer comes with a UV barricade and SPF 30 rating, thanks to Zinc Oxide and Octyl Methoxycinnamate. These two well-known sunscreen ingredients are among the most effective and reliable UV protectors on the market.

Directions

Apply to all skin exposed to the sun. *Apply liberally and evenly 15 minutes before sun exposure. *Reapply at least every two hours. *Use a water-resistant sunscreen if swimming or sweating. *For children under 6 months of age: Ask a doctor.

Intensive DNA Repair Creme

This highly advanced formula corrects all signs of skin aging by promoting the skin's natural protection and repair factors involved in detoxification, anti-stress, telomere maintenance and DNA repair. To protect the DNA of skin cells, Bellanina DNA Repair Crème helps prevent the senescence of cells, enhances cell function, improves the quality of the tissue, and extends the youth span of the skin to reduce all visible signs of aging – not just wrinkles. Problem The aging process begins at the cellular level within the DNA. Telomeres, part of the DNA structure, grow shorter as cells replicate; and as they shorten, cells begin to enter senescence or an aging state, which produces wrinkles. In addition, factors such as free radicals, lack of moisture, stress and toxins damage the DNA of skin cells, which also contribute to the genesis of wrinkles.

Directions

Apply to face in a light upward sweeping motion. Do not rub. Apply nightly. Caution: Discontinue use if redness or irritation occurs. Do not ingest.

Pro-Glycolic 30% Exfoliant (Professional Use Only)

This pro-strength pH 2.0 gel will rapidly exfoliate. Excellent for improving hyperpigmentation, fine lines and wrinkles and refining surface texture; also very effective at clearing pores in problem skin. Glycolic treatment series will help achieve even coloration and texture and keep pores clear. Not for use on sensitive skin.

Directions

As with all professional strength peels, a patch test to determine sensitivity should be performed. Before applying, explain to client that they may feel a strong tingling or mild stinging sensation during treatment. Pour ½ teaspoon of Glycolic 30% Exfoliant into glass bowl. Use two long handled cotton swabs and dip into bowl. Roll swabs against side of dish to prevent dripping. Start timing at beginning of application. Apply Glycolic solution in a counterclockwise manner. Start with forehead; continue applying around mouth and on nose. Finish with upper cheek areas. Avoid immediate eye area or obvious active acne lesions. You may apply on neck if client is using the home care product on neck also. In that case, finish with neck last. If excessive stinging or irritation occurs, remove immediately. Allow solution to remain on skin for 2-3 minutes. Apply Pro-Peel Neutralizing Solution to treated areas using cotton pad, starting with forehead and continuing with the same pattern as the application. Rinse with cold water on sponges to remove any traces of Exfoliant. Follow with appropriate mask and protective treatment for skin type. Some redness following treatment is normal.

Shea Body Butter Lotion

This body lotion incorporates the finest ingredients to renew your delicate skin. Shea Butter (extracted from the pit of a wild African fruit) is renowned for its healing, protecting and moisturizing properties. A mix of botanicals and Hawaiian Red Marine Algae repair skin damage and improve firmness and thickness. Japanese Green Tea Extract (a powerful antioxidant) is known for its anti-irritant

properties. It prevents redness, rough skin and peeling caused by the sun and harsh weather. Vitamin E (another antioxidant) adds to this unique formula by helping defend the skin from free radical damage. This lotion is a perfect solution to reduce the appearance of stretch marks, increases hydration levels and improves skin thickness lost with age.

Directions

Vitamin C Facial Firming Masque Powder and Masque (Professional Use Only)

This versatile mask, created exclusively for skincare professionals, will instantly improve firmness and tone of face and neck, refine texture and promote a beautiful glowing, even complexion. Our revitalizing formula contains 10% pure vitamin C, giving a powerful antioxidant boost while softening skin and soothing irritation from extractions or peels.

Directions

May be used after alpha or beta hydroxy peels, after extractions or as a part of any professional treatment. Whip ½ teaspoon of masking solution into 1 teaspoon of masking powder, adjusting as needed to get a light, thin paste. Apply in a thin layer with fan brush to face and neck, using upward strokes; let client know that as masque dries it will become very tight and their skin may feel warm. Leave on 10-12 minutes; mask will feel rough and dry when it is completely set. Remove with cleanser of your choice and warm moist sponges, and follow with toner and protective crème as appropriate for skin type. For an excellent finish to a firming facial, apply Alpha Lipoic Acid Lifting Serum with DMAE Glycolic/Vitamin C before crème.
